

Application to join the EPSRC Associate Peer Review College

1. Data Protection Statement

EPSRC complies with the General Data Protection Regulations 2016/679 (EU) GDPR). We process and handle personal information according to these regulations. The personal information that you provide on this form will only be used for the processing of your application. The information will be viewed by EPSRC staff and those who are part of the decision making process. Your information will not be used/shared for any other purpose without your specific consent. EPSRC reserves the right to publish and share anonymized aggregated information with stakeholders. For further information on how your personal data is used, how we maintain the security of your information, and your rights to access that information we hold about you, please contact the UK Research and Innovation Information Rights Team.

The UK Research and Innovation privacy notice can be found on the [UKRI website](#). This form has been developed using [SmartSurvey](#). Data entered and submitted to EPSRC via the form will be held in SmartSurvey for a period in accordance with UKRI policy.

2. General Information

1. General Information: *

Surname
*

First Name
*

Organisation
(if you are not affiliated to an organisation please enter N/A)

*

Country where you are mainly based (e.g. UK, Australia etc.)

*

2. Email address (if you have a Je-S account, please enter the same email that you have in your Je-S account currently) : *

Email address *

Confirm email address *

3. Personal Information

3. What is your current job title?

If selected 'Other', please specify here

4. Expertise

4. Please select up to three research areas with alignment to your expertise and state their priority of relevance. If you only wish to select one or two relevant areas please tick the 'No relevant area' option (at the bottom of the list) as appropriate for the other answers. EPSRC encourages multi-disciplinary research, please highlight the range of your experience. Information on EPSRC's Research Areas can be found here: <https://www.epsrc.ac.uk/research/ourportfolio/> *

5. Previous Contact with UKRI

5. Have you previously reviewed a proposal on behalf of, or applied for funding from any of the seven research councils under RCUK (AHRC, BBSRC, EPSRC, ESRC, MRC, NERC, STFC) or Innovate UK? *

- Yes
- No

6. Application Information

6. Why are you interested in joining EPSRC's Associate Peer Review College? (500 characters max including spaces) *

7. Please describe the expertise that you can offer to EPSRC as an Associate College Member. Please include examples such as: multi-disciplinary research, collaboration with industry, public engagement, work with clinicians, international work or influencing policy. (1500 characters max including spaces) *

8. Please provide evidence to support your application (e.g track record, recent publications, invited presentations, keynote talks at major conferences, presentations at leading conferences in the field)? (750 characters max including spaces) *
