

## EPSRC Centres for Doctoral Training

| Organisation                     | Centre Name   |
|----------------------------------|---|
| Cranfield University             | Industrial Doctorate Centre in Skills Technology, Research, and Management (STREAM) for the UK Water Sector |
| Durham University                | Multidisciplinary Centre for Doctoral Training in Energy  |
| Heriot-Watt University           | Industrial Doctorate Centre in Optics and Photonics Technologies  |
| Imperial College London          | Doctoral Training Centre in Science and Application of Plastic Electronic Materials                         |
| Imperial College London          | Doctoral Training Centre in Controlled Quantum Dynamics   |
| Imperial College London          | Doctoral Training Centre in Theory and Simulation of Materials  |
| Imperial College London          | Industrial Doctorate Centre in Non-Destructive Evaluation   |
| Imperial College London          | Doctoral Training Centre in Chemical Biology  |
| Imperial College London          | Energy Futures Doctoral Training Centre   |
| Lancaster University             | Doctoral Training Centre in Statistics and Operational Research   |
| Lancaster University             | High Wire Doctoral Training Centre  |
| Loughborough University          | Industrial Doctorate Centre in Innovative and Collaborative Construction Engineering                        |
| Loughborough University          | Doctoral Training Centre for Regenerative Medicine  |
| Newcastle University             | Industrial Doctorate Centre in Biopharmaceutical Process Development  |
| Queen Mary, University of London | Doctoral Training Centre in Digital Music and Media for the Creative Economy                                |
| Swansea University               | Industrial Doctorate Centre in Manufacturing Advances Through Training Engineering Researchers (MATTER)     |
| The University of Manchester     | Nuclear Fission Research, Science and Technology Doctoral Training Centre (Nuclear FiRST)                   |
| The University of Manchester     | Industrial Doctorate Centre in Nuclear Engineering  |
| The University of Manchester     | The North West Nanoscience Doctoral Training Centre   |
| The University of Manchester     | Doctoral Training Centre for Integrative Systems Biology  |
| The University of Manchester     | Doctoral Training Centre in Computer Science  |
| University College London        | Doctoral Training Centre in Security Science  |
| University College London        | Industrial Doctorate Centre in Urban Sustainability and Resilience  |
| University College London        | Industrial Doctorate Centre in Molecular Modelling & Materials Science                                      |
| University College London        | Doctoral Training Centre in Financial Computing   |
| University College London        | Industrial Doctorate Centre in Bioprocessing Engineering Leadership   |

|                           |  |
|---------------------------|--|
| University College London | Doctoral Training Centre in Photonic Systems Development   |
| University College London | Doctoral Training Centre in Energy Demand Reduction and the Built Environment                                |
| University College London | Industrial Doctorate Centre in Virtual Environments, Imaging and Visualisation                               |
| University College London | Doctoral Training Centre for Mathematics and Physics in the Life Sciences and Experimental Biology (CoMPLEX) |
| University of Bath        | Doctoral Training Centre in Sustainable Chemical Technologies  |
| University of Bath        | Industrial Doctorate Centre in Digital Entertainment   |
| University of Birmingham  | Industrial Doctorate Centre in Formulation Engineering   |
| University of Birmingham  | Doctoral Training Centre in Hydrogen, Fuel Cells and their Applications                                      |
| University of Birmingham  | Doctoral Training Centre in Structural Metallic Systems for Gas Turbine Applications                         |
| University of Birmingham  | Doctoral Training Centre in Physical Sciences of Imaging for the Biomedical Sciences                         |
| University of Bristol     | Doctoral Training Centre in Complexity Sciences  |
| University of Bristol     | Doctoral Training Centre in Chemical Synthesis   |
| University of Bristol     | Doctoral Training Centre in Innovation and Science   |
| University of Bristol     | Industrial Doctorate Centre in Systems   |
| University of Bristol     | Doctoral Training Centre in Functional Nanomaterials   |
| University of Bristol     | Doctoral Training Centre in Future Communications: People, Power and Performance                             |
| University of Cambridge   | Doctoral Training Centre in Analysis   |
| University of Cambridge   | Doctoral Training Centre in Assembly of NanoMaterials and NanoDevices  |
| University of Edinburgh   | Industrial Doctoral Centre for Offshore Renewable Energy (IDCORE)  |
| University of Edinburgh   | Doctoral Training Centre in Neuroinformatics and Computational Neuroscience                                  |
| University of Glasgow     | Doctoral Training Centre in Cell & Proteomic Technologies  |
| University of Leeds       | Doctoral Training Centre in Technologies for a Low Carbon Future   |
| University of Leeds       | Doctoral Training Centre in Tissue Engineering and Regenerative Medicine                                     |
| University of Leeds       | Doctoral Training Centre in Basic Technologies for Molecular-Scale Engineering                               |
| University of Nottingham  | Industrial Doctorate Centre in Efficient Fossil Energy Technologies  |
| University of Nottingham  | Horizon Doctoral Training Centre for the Digital Society   |
| University of Nottingham  | From Targeted Therapeutics to Next Generation Medicine: Doctoral Training Centre                             |
| University of Nottingham  | Industrial Doctorate Centre in Manufacturing Technology  |

|                           |  |
|---------------------------|--|
| University of Oxford      | Doctoral Training Centre in Systems Approaches to Biomedical Science                         |
| University of Oxford      | Doctoral Training Centre in Systems Biology  |
| University of Oxford      | Doctoral Training Centre in Healthcare Innovation  |
| University of Oxford      | Doctoral Training Centre in Bio-nanotechnology, Medical Imaging and Bioinformatics           |
| University of Reading     | Industrial Doctorate Centre in Technologies for Sustainable Built Environments               |
| University of Sheffield   | Doctoral Training Centre in Advanced Metallic Systems - Challenges in Global Competitiveness |
| University of Sheffield   | Doctoral Training Centre in Interdisciplinary Energy Research (E-Futures)                    |
| University of Sheffield   | Industrial Doctorate Centre in Machining Science   |
| University of Southampton | Doctoral Training Centre in Web Science  |
| University of Southampton | Doctoral Training Centre in Complex Systems Simulation                                       |
| University of Southampton | Industrial Doctorate Centre in Transport and the Environment                                 |
| University of St Andrews  | Doctoral Training Centre in Condensed Matter Physics   |
| University of Strathclyde | Doctoral Training Centre in Wind Energy Systems  |
| University of Strathclyde | Doctoral Training Centre in Medical Devices and Related Materials                            |
| University of Strathclyde | Industrial Doctorate Centre in Advanced Forming and Manufacture                              |
| University of Strathclyde | Doctoral Training Centre in Next Generation Accelerators                                     |
| University of Surrey      | Industrial Doctorate Centre in Micro & Nano-Materials and Technologies                       |
| University of Surrey      | Industrial Doctorate Centre in Sustainability for Engineering and Energy Systems             |
| University of Warwick     | Doctoral Training Centre in Complexity Science   |
| University of Warwick     | Doctoral Training Centre in Mathematics and Statistics                                       |
| University of Warwick     | Doctoral Training Centre in Systems Biology  |
| University of Warwick     | Doctoral Training Centre in Molecular Organisation and Assembly in Cells (MOAC)              |
| University of Warwick     | Industrial Doctorate Centre in High Value, Low Environmental Impact Manufacturing            |
| University of Warwick     | Doctoral Training Centre in Magnetic Resonance Basic Technology                              |
| University of York        | Fusion Doctoral Training Network   |
| University of York        | Industrial Doctorate Centre in Large-Scale Complex IT Systems                                |
